Synthesis of a Modified Hemoglobin Solution

Inventor(s): Talarico et al. Application No: To be assigned Atty Dkt No: 35780/233666

## 1/5

## PROCESS FOR THE MANUFACTURE OF PHP

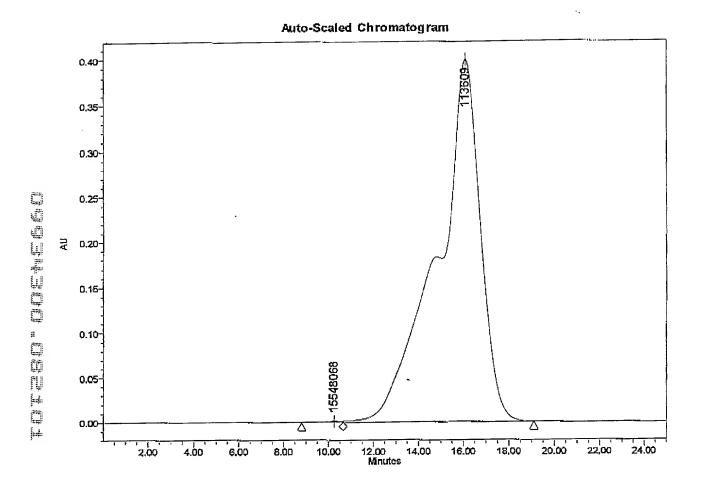

PPHb = Pyridoxalated Polyoxyethylene Hemoglobin PHP = Pyridoxalated Hemoglobin Polyoxyethylene (Final Product) Title: Methods for Purification of an Activated PEG Solution and for the

Synthesis of a Modified Hemoglobin Solution

Inventor(s): Talarico et al. Application No: To be assigned Atty Dkt No: 35780/233666
